ADOPTION APPLICATION

Name:

Address (physical):

Address (mailing):

Date:

Which donkey(s) are you interested in adopting?

Where would you like to keep the donkey(s)? At home? At a boarding location?

Do you have a shelter at your facility? If so, what kind, size etc?

How large is the total area you are offering for the donkey(s):

Do you have pasture? If so, how large?

Do you have a smaller pen/run where the shelter is? How large?

What type of fencing do you have?

Do you have any other equines? If so, how many, what ages, and what kind?

What do you do with your other equines?

What are you planning to do with the donkey(s)?

Are you committed and financially able to providing routine veterinary care (wellness exam, dental checkup and floating, vaccinations, worming and or fecals) for the donkey every year?

Are you financially able and committed to providing emergency care for the donkey(s) in cases of colic or other emergencies?

Do you pledge and are you financially able to cover professional hoof care for the donkey(s) at least every 2-3 months?

How much experience have you had with equines, and especially donkeys in the past? Do you know how to halter and lead an equine, pick out their feet, and load them onto a trailer?

Do you own or rent your home?

How old are you, and is anyone else beside you going to help take care of the donkey?

What type of profession do you have, and for how long have you had your current job?

If you already have other equines, which farrier and veterinarian do you use for them? Please provide one reference for each.

What other animals/pets beside equines do you have and what is your annual care routine for them? Who do you use as a veterinarian?

Do you pledge to pay the posted adoption fee for the donkey you would like to adopt and to sign and meet the provisions of our generic adoption contract (as posted on our website)?

Do you want to provide any other information?
